

Fine Furniture for Your Home

ANGEL HOUSE DESIGNS

*From the 1731
Saltbox*

As featured in
Country Living, Yankee,
and *Early American Homes*

Complete Architectural and Interior Design Services:

- Early American reproduction furniture including sofas, wing chairs, wooden furnishings, lighting, and accessories
- Original eighteenth and nineteenth century antiques: We harvest antiques throughout New England with an eye for good design, unusual joinery and outstanding use of materials.
- Custom upholstery and reupholstery services: We are known for expert reconditioning and reupholstery with meticulous tailoring – for a reasonable price.
- Architectural services, including consultation and planning for the preservation or restoration of your historic home
- Interior design services: Our designers are available in our showroom, or for a consultation in your home, to help you achieve a new décor.
- Fabrics: We can get any fabric; specify by pattern number and company.
- Woodworks, Furniture with a Tale: Our woodworkers do custom pieces. Free estimates are provided. We are proud of our expanding line of tables, chairs, cupboards, tavern tables, chair-tables, candle stands, beds and settles.

We invite you to visit our authentically restored saltbox in scenic Brookfield. Most of our reproductions were originally made for this early home. *We are just seven miles north of Old Sturbridge Village.*
